CHROMA: Pride, Inclusion, Equality Inc. is a new community organization that focuses on advocacy for 2SLGBTQIA+ people in the Saint John Region, while promoting inclusion through programs and services, and addressing community needs.

OPPORTUNITY OUTLINE:

From February 2021 through February 2022, **CHROMA** will facilitate a series of workshops both in person (COVID-19 restrictions permitting) and online, delivered by 2SLGBTQIA+ artists for the 2SLGBTQIA+ community. There is no prior workshop facilitation experience necessary, but applicants should have an interest in community, as well as a creative practice (in any discipline) that is already established. Facilitators must be willing to be on video to extend the program to virtual participants.

Successful candidates will be responsible for planning and delivering a 2-3 hour workshop in Saint John. Workshops will be part of **CHROMA's** new 2SLGBTQIA+ community engagement series of arts programming, called Creative Nights.

CHROMA is proud to pay a fair professional fee to collaborating artists.

HOW TO APPLY

If you are interested in leading one of **CHROMA's** Creative Nights workshops, please submit your expression of interest by answering the questions below and emailing them to query@chromanb.ca, along with a bio or CV.

1. What interests you about this opportunity?
2. What is your art practice and how would you share it with the greater 2SLGBTQIA+—what type of workshop would you lead?
